

# Liquid Algae Controls & Water Clarifiers

**AQUARIUM**  
PHARMACEUTICALS, INC.

## Accu-Clear

Clears ,milky haze caused by a bacterial bloom and green water caused by an algae bloom. Eliminates floating particles. One 16 oz. bottle treats 4,800 gallons. Safe for use with all plants and fish.

ORDER CODE:

142B-PG15 ~ 16 oz. Treats 4,800 gallons

142D-PG15 ~ 1/2 Gal. Treats 19,200 gallons

142C-PG15 ~ Gal. Treats 38,000 gallons.

## Algae Fix

Can be used in ponds containing live plants and fish. Effectively controls "green water" algae blooms and blanket weed. Keeps ornamental ponds and water gardens clean and clear. An EPA registered Algicide that helps resolve future algae problems.

ORDER CODE AND SIZE:

168B-PG15 ~ 16 oz. Treats 4,800 gallons

169D-PG15 ~ 64 oz. Treats 19,200 gallons

## String Algae controls

### Magnetic Treatment Magn-it

Helps control blanket weed in your pond. Also reduces limescale formation inside your ultraviolet clarifier, which if unchecked will seriously reduce its effectiveness.

ORDER CODE:

CYP1500-PG15

~ Treats 1500 gallons

CYP400-PG15

~ Treats 4000 gallons

### String Algae Buster

Reduces annoying string algae in your pond.

ORDER CODE AND SIZE:

AS100-PG15

2lb. Treats 6,300 gallons

## Pond No More Algae™ Liquid

Helps attack and prevent algae growth in ponds in a safer, more effective way. No More free-floating algae blooms. No More algae on the sides of ponds

ORDER CODE: P620-15

16 oz. Treats up to 480 gals.

## Tetra Aqua Rem Tetra Pond

A water clarifier which causes free floating algae (and other particulate matter) to coagulate into a dense mass which is then easily removed from the pond by filtration.

ORDER CODE: 16367-PG15

16 oz. Treats 2,500 gallons

## Crystal Lagoon

A safe and natural pond application that clears cloudy water created by algae, dirt, bacteria and other organic material.

ORDER CODE: 30110-PG15

16 oz. Treats 8,000 gallons

**AQUARIUM**  
PHARMACEUTICALS, INC.

## Algae Blocker

Controls the growth of many algae and underwater aquatic weeds. Use with non-edible fish only.

ORDER CODE: 168-PG15

16 oz. Treats 5,900 gallons

## Acurel-e Water Clarifier

Clarifies and prevents cloudy, green or polluted water. Harmless to animals, garden pond fish and plants.

ORDER CODE:

711-PG15 ~ 10.5 oz.

Treats 2650 gallons

714-PG15 ~ 21 oz.

Treats 5300 gallons

## Barley Straw and how it works

The decomposition of Barley Straw in water produces and releases many compounds and controls algae populations. The chemical compound does not eliminate existing algae cells, but interferes with and prevents the growth of new algae cells. As old algae cells naturally die off, few new algae cells are produced and the algae population is controlled as long as the compound is being produced.

## Summit Barley Bales

A natural alternative to treat cloudy water in decorative garden and fish ponds. Especially designed for economy and ease of use, each mini bale lasts for six months and includes a cork float.

ORDER CODE:

1130-PG15

## Barley Squares

A natural alternative to treat cloudy water in decorative garden and fish ponds.

ORDER CODE: 20201-PG15
